Gift Certificates > How to Redeem

Redeem when you order:

- 1 Shop to your heart's content. Then be sure to place your order using our Shopping Cart instead of ordering with 1-Click.
- 2 Locate the **claim code** on your gift certificate.
- 3 Enter the **claim code** on the order form.

Just placed an order? If it hasn't entered the shipping process, you can redeem through the relevant Summary page in [Your Account](#).

Or, redeem now for future use:

Even if you are not ready to make a purchase yet, please redeem your gift certificate now, and we'll save the amount in Your Account until you're ready to use it. Visit the [Gift Certificates: View Balance/Claim Certificate](#) page of Your Account, enter the gift certificate claim code, and click the "Redeem now" button. That's it! The amount will be saved for your future use. (We're sorry, but it is not possible to apply your gift certificate to an order that has already been processed.)

Paying by Gift Certificate

Paying with an Amazon.com gift certificate is easy. All you need to redeem your gift certificate is your claim code. Here's where to find that 14-character string of letters and numbers.

- On paper gift certificates: to the right of the words "Amazon.com"
- On e-mail gift certificates: beneath the gift message and above the expiration date
- On e-mail gift certificates sent with an e-card: beneath the link to view your e-card

If you want to redeem your gift certificate when you place a new order, just add items to your Shopping Cart and place an order via our order form. You will be asked to enter the claim code on the order form.

If you use 1-Click and want to redeem your gift certificate, click the "Review or edit your 1-Click orders" link that you'll see after clicking the "Buy now with 1-Click" button. You will be provided with a box in which to enter your claim code.

If you want to apply gift certificate funds to an order you've already placed, visit the relevant Order Summary. If you want to redeem your gift certificate but aren't ready to make a purchase just yet, you can redeem it for future use. To begin doing either of these things, click the Your Account link at the top of most pages of our store.

To redeem more than one gift certificate, enter the first claim code and click the "Enter another" button. You can repeat this once for each gift certificate that you have. Please note that promotional certificates may have restrictions that limit you to one per purchase.

If your gift certificate covers the cost of your order, we will place the balance in your gift certificate account. The next time you place an order via our order form, you will be given the opportunity to use those gift certificate funds. You will not have to re-enter your claim code.

If the cost of your order exceeds the value of your gift certificate, you will be given the opportunity to provide a credit card number to pay for the balance, to redeem another gift certificate, or to change your order. We cannot accept check payments for the balance of gift certificate orders.

The Fine Print

- Gift certificates must be redeemed through our Web site, <http://www.amazon.com>, toward the purchase of products listed in Amazon.com's online catalog and sold by Amazon.com. They cannot be redeemed at Amazon.co.uk, Amazon.de, Amazon.fr, Amazon.co.jp, or any other Web site operated by Amazon.com, its affiliates, or third-party merchants accessible from our site (including, for example, our Health & Beauty store operated by drugstore.com). Gift certificates are not valid for payment in Amazon Marketplace, Auctions, or zShops.
- Gift certificates cannot be used to pay for out-of-print titles or to purchase gift certificates.

Page 12

- Gift certificates are not redeemable for cash and cannot be returned for a cash refund.
- Any unused balance will be placed in the recipient's gift certificate account.
- If your order exceeds the amount of your gift certificate, you must pay for the balance with a credit card or another gift certificate.
- Gift certificate cash value is 1/10 of one cent.
- Gift certificates and their use on our Web site are subject to our general Conditions of Use.
- Amazon.com reserves the right to change these terms and conditions from time to time in its discretion.
- Gift certificates and unused portions of gift certificates expire one year from the date of issue.*
- We are not responsible for lost or stolen gift certificates.
- AMAZON.COM MAKES NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO GIFT CERTIFICATES, INCLUDING WITHOUT LIMITATION, ANY EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. IN THE EVENT A GIFT CERTIFICATE CODE IS NON-FUNCTIONAL, YOUR SOLE REMEDY, AND OUR SOLE LIABILITY, SHALL BE THE REPLACEMENT OF SUCH GIFT CERTIFICATE. CERTAIN STATE LAWS DO NOT ALLOW LIMITATIONS ON IMPLIED WARRANTIES OR THE EXCLUSION OR LIMITATION OF CERTAIN DAMAGES. IF THESE LAWS APPLY TO YOU, SOME OR ALL OF THE ABOVE DISCLAIMERS, EXCLUSIONS, OR LIMITATIONS MAY NOT APPLY TO YOU, AND YOU MIGHT HAVE ADDITIONAL RIGHTS.

* Does not apply in California; applies in New Hampshire only for gift certificates over \$100.
Expiration date does not apply in any other states where prohibited by law.
